Event**

Pop-Up Canal Festival 25th May 11am - 4pm

During the second May bank holiday, Hebden Bridge will play host to the Historic Narrow Boat Club with over 40 boats lining the towpath during the weekend.

To celebrate this in Calder Holmes Park there will be a Pop-Up Canal Festival. We will have a range of family activities with Pennine Prospects leading a kite making workshop, dance performances, our education explorers team getting little ones creative and Rusticus Theatre Company taking families on a magical tour along the Rochdale canal towpath. Park life café will be providing the food & drink too.
